Programme details

CG Jung stated that the Self directs the process of psychic development from the time of birth. Dora Kalff observed evidence of this individuation process in her sandplay work with children and adolescents. This workshop will explore her observations, focusing especially on the development of ego and how it may present itself in sandplay.

Attendance requirement

Member of a professional society and exposure to some basic training of sandplay therapy and symbol work.

Venue:

Southwell School, 200 Peachgrove Road, Claudelands, Hamilton

Cost:

\$220.00 per day (morning tea included, BYO lunch)
